Introducing our Modern Drystack™ Collection  
of E-Z Set™ Natural Stone Thin Veneer

Pieces cut on the top and bottom at 1", 2", &  
3" heights with random lengths and natural  
random ends (photos on right) or square  
sawn ends (photos on left). Bed depth of  
3/4" - 1 1/4"

Installing with even thickness of mortar  
results in a rough textured face. Installing  
with varying thicknesses of mortar results in  
a smooth face.
