Stone Universe Inc. (SUI) was founded in 1999 as a wholesale stone distributor in California, USA. We are direct importers of Highest quality natural stone products from India & around the world. We started importing slate, quartzite and flagstone material in limited and unlimited sizes and excellent quality. In span of 15 years, today we are one of the largest importers of not only slate and flagstone but many other natural stone products. Today we carry full range of product to complete projects for example you can pick Bullnose, Borders, Cobblestone, Column, Flagstone, Ledge Stone, Mosaics, Medallions, Pave Slate, Rock Face, Slate, Steps, Stone Patterns, Tumbled Stone & we do special order in many different colors and sizes and this is only possible in natural stone & this is not available in imitation and man made stone e.g. Porcelain & others. Thin Veneer is our new edition for 2014. We distribute our high quality natural stone products all over United States. Our Pride is to Satisfy your requirement with Quality Natural Stone.

## CHARACTER OF NATURAL STONE

Slate is a fine-grained metamorphic rock that consists mostly of grains of mica and quartz with small amounts of chlorite, hematite, and other minerals. Limestone is a sedimentary rock composed largely of calcite and aragonite. Sandstone is composed of quartz and feldspar. These natural stones are products of mother nature and will therefore exhibit slight variations in color from lot to lot.
